Title _____

Instructions: An adult may be temporarily, involuntarily committed to a local mental health authority upon (a) written application by a responsible person who has reason to know, stating a belief that the individual is likely to pose substantial danger to self or others if not restrained, and stating the personal knowledge of the individual's condition or circumstances which lead to that belief; and (b) a certification by a licensed physician, licensed physician assistant, licensed nurse practitioner, or designated examiner stating that the proposed patient has been examined within a three-day period preceding that certification, and that physician, physician assistant, nurse practitioner, or designated examiner is of the opinion that the individual is mentally ill and, because of his mental illness, is likely to be a substantial danger to self or others. A person committed under this section may be held for a maximum of 72 hours, excluding Saturdays, Sundays, and legal holidays. At the expiration of that time period the person shall be released unless application for involuntary commitment has been commenced pursuant to Section 26B-5-332. UCA 26B-5-331 also states that "[t]ransportation of persons with a mental illness pursuant to Subsections (1) and (2) shall be conducted by the appropriate municipal, or city or town, law enforcement authority or, under the appropriate law enforcement's authority, by ambulance or nonemergency secured behavioral health transport.
